## 666 and the Mark of the Beast continued...

**Author :** Meiliken

**Date :** 27-07-2011

In our previous article we explained how the value **666** came to be associated with the beast long before Revelations was written and then we examined in depth the verse from Ecclesiastes where the origins lay, including all the allusions to *Moshiach* (the Messiah), *Moshiach Ben David*, and to the year **2018 (5778 HC)**, which is prophesied for the *geula* (final redemption). Today, we want to briefly add a little more. In our previous article we showed 3 different ways that the simple 14 word verse hinted at **5778 (2018 ce)**. Here is one more.

Ecclesiastes 3:21

“??? ???????, ????? ?????? ???????–???????? ???? , ??????????; ???????,  
????????????–???????????? ???? , ????????? ????????”

“Who knows the spirit of man whether it goes upward, and the spirit of the beast whether it goes downward to the earth?”

As previously stated the first 3 words numerically add up to 357 including the *kolel* (3) for the 3 words, Adding 1, as is common practice, gives us **358**, the value for *Moshiach*. Similarly, the last 3 words add up to 421 plus the *kolel* of 3 to give us **424**, the numerical value of *Moshiach Ben David*.

When we bring those first and last 3 words together, the **6** words sum to  $357 + 421 = 778$ , as in the year **5778**, and now we can begin to understand all the superfluous prefixes of the letter "*Hey(H)*" of numerical value **5** that the verse contained. Nothing is written without a reason, usually many reasons.

The symmetrical verse juxtaposes the path of Man's spirit with that of the beast and each half contains **3** of the **6** prefixes (*H*). As explained by the *Zohar*, the letter prefix *Hey (H)* associated with the beast in this verse represents the final *Hey(H)* in the *YHVH* and thus the earthly realm of *malchut*. Meanwhile, the first **3** prefixes *Hey(H)* associated with Man (Adam) represent the first *Hey(H)* in the *YHVH* and thus the *sefira* (dimension) of *Binah* (Heaven/upper world).

This poetic juxtaposition is further emphasized in the first word of the verse, *Mi*, of numerical value **50**, and thus universally associated by the sages with the **50** Gates of *Binah*, the **3rd** of the " **3** Upper *sefirot* (dimensions). By contrast, the last word in the verse is *L'aretz*, "to the earth", and you can't get more *malchut*, more earthly, than that.

3's and 6's, the pattern in this verse repeats itself, just as  $666 \times 3 + 6.66 \times 3 = 2018$

---

Interestingly, that final word "to the earth" has the numerical

value **321**, and not only is this verse Ecclesiastes **3:21**, but as pointed out by Volker in a recent comment,  $321 \times 18 = 5778$ . And since the [primordial mathematical constant Phi](#) that controls natural spiraling growth in the universe, can be raised to the **18th** power, as in [Phi<sup>18</sup> = 5778.000](#), to give us **5778** yet again, the divinity and/or divine inspiration in this verse is beginning to shine forth. That spiraling growth includes all life as well and in Hebrew it is universally known that the number **18** represents the Hebrew word *chai*, meaning "life." So G-d is trying to tell us something yet again through the verses in the Tanakh (Hebrew Old Testament). Forget for a moment everything that you may have heard, read, or assumed about a man who knows the number of the beast. Now, we all do. The descending beast, the animal aspect within us will sink into the earth, while the higher (*Binah*) spirit of Man will ascend. When? **5778 (2018 ce)**. Why? Because the two natures (spirits) must separate, one weighs down the other.

What we needed and relied on, we must now bid farewell and jettison, lest it weigh us down and draw us into the earth along with it. The time of the Tree-of-life (of *Binah* consciousness) is almost upon us. This is the **3rd** time the gates were opened for us. It's been **66.6** jubilee (Biblical **50**-year period) since the last time when we received the [10 Commandments](#) at Sinai in 2448 HC.

And there are **6.66** years until **5778 (2018 ce)**. [Things are heating up.](#)
