Zion, of the Daily Zohar, advised us of a couple new Chanukah meditations revealed by the Yenuka, Rav Shlomo Yehuda Be'eri ??? ????? ??????. We are going to expand on his holy blessings. The first one, connects us to *Keter*, by using the Holy Name "???????? ??????????" "I AM WHO I AM" from Exodus 3:14 that we have covered extensively and will continue to do so because of the power in that Name on high. Using the first two parts of that Name, he equated them in the style of the Arizal to the blessing of lighting the chanukah candles "???????? ?? ??????" *L'hadleek Ner Chanukah*. This meditation is in addition to the ones from the Arizal we have previously explained and the new ones on the 9 candles and their flames that we have just revealed.

It is in the next revelation of the Yenuka that we want to expand and extend its blessings **10-fold** throughout all **10 sefirot**(dimensions). He informs us that *Ohr Haganuz* (??? ??????), the Light of *Moshiach*, of numerical value **278**, is equivalent to Honor + Image + God (???? + ??? + ??????) and that during the **8** days of Chanukah when the *Ohr Haganuz* is present we can use this connection to defeat the global plague.

אֱהִיָּה אֲשֶׁר

אור הגנוז = כבוד צלם אלוקים (278)
" (בראשית טו, ב) באדם דמו ישפך כי בצלם אלוקים" = מגפה בעולם (278)

We can amplify the power of the *Ohr Haganuz* in our world by concentrating on what we are

lighting. Besides the [72 Triplet connection](#) you should now be making, please note that the first candle for the first day is lit for **8** days and therefore its power is 1^8 . The second candle for the second day is lit for **7** days and therefore its power is 2^7 , and so forth until all **8** candles are lit ($1^8 + 2^7 + 3^6 + 4^5 + 5^4 + 6^3 + 7^2 + 8^1$). Over the **8** days the Light released if we make the proper connection is **2780** or (**10** x **278**), the **8** letters in *Ohr Haganuz* (???) expanded to fill all **10 sefirot**. Moreover, please note that the sum of the digits in the connection of the candles ($1^8 + 2^7 + 3^6 + 4^5 + 5^4 + 6^3 + 7^2 + 8^1$) is **72**.

The Yenuka expresses the same message we have been sharing, that the connections and meditations must be made with love in your heart and in your deeds. That is his key message and ours. It starts with Love and spreads from there.

Blessings and the Light of Moshiach to all of you, and may we spread and share them with the world,

Ezra
