As the approaching storms gather themselves spiritually as per our recent post, we must ask if these swirling dark ominous clouds, fierce winds and tornadoes spiritual people are seeing in their dreams since Rosh Hashanna 5770 are related to Ezekiel's vision and 2 for the 4 faces of evil: Ezekiel (1:4) "A stormy wind" and "a huge cloud."

Please see our article on Ezekiel's vision as what may follow, G-d forbid.

The Parsha Noach is an opportunity for global cleaning and forgiveness, let's set personal forgiveness in our hearts and beg forgiveness for all mankind this Shabbat. B"H it will help clear away some of the mounting negativity in the atmosphere. It's our responsibility.

Shabbat Shalom
