# Yesod of Yesod

**Author :** Meiliken

**Date :** 30-11-2009

A friend from Italy pointed out that in my haste to get out the message for everyone to connect in time to the cosmic window of abundance and good will on the **9th** hour of the **9th** day of the **9th** month of the **9th** year as explained by the tzaddikim, I grabbed a variation of the divine equation,  $((YxH)/(Y+H))+((VxH)/(V+H)) = 9.09090909$

**When it actually equals:**

$$((YxH)/(Y+H))+((VxH)/(V+H)) = 6.06060606$$

**The equation I meant to give should have been:**

$$(YxHxVxH)/((Y+H)x(V+H)) = 9.09090909$$

That said, **6.06060606** is also **Yesod of Yesod** in that when we count the sefirot (dimensions) of Zeir Anpin, as we do during the Omer, and as we do in the fusion of the upper and lower worlds, a necessary step in the process of drawing sustenance and good will into our lives, we find the **6th** sefira of the **6th** sefira is Yesod of Yesod, and it corresponds to the **6th** letter of the **6** line of the Ana B'koach (**42**-Letter Name of G-d).

This is the line (**YGL PTzK**) and spiritual place associated with Joseph HaTzaddik, the greatest channel of Sustenance/abundance and of Rabbi Shimon Bar Yochai, the author of the Zohar and the greatest channel of Light. Let these two great beacons of light be our channels as we continue to bask in the cosmic opening for good will and abundance available to all of us this entire **9th** month of Kislev in this **9th** year of the Jubilee.

We don't have to understand the working of the **YHVH** for this energy to be available to us no more than we have to understand how our cell phones work to receive a call on them. In fact, we cannot begin to understand all the love and technology built into that wonderful name **YHVH**. Just know that the stronger we connect to it and the stronger our desire to understand it with out hearts the stronger all our connections in life will be.

In our on-going study of the Future Temple we will get deeper into the Name, as indeed all life and existence is sustained through it.

Please accept my apologies,  
With love,  
Ezra
